# INTRODUCTION

STOK IS AN ULTRA-MODERN, ULTRA-FLEXIBLE OFFICE SPACE DEVELOPMENT THAT'S PART OF THE GAME-CHANGING TRANSFORMATION OF STOCKPORT. IF EVER THERE WAS A RIGHT PLACE, RIGHT TIME AND RIGHT OPPORTUNITY, THIS IS IT.

Stockport's renaissance is centred on a new urban village, bringing 3,500 homes and additional business space, supported by all the social infrastructure and place management required for a significant increase in people living in and around the town centre. Stockport Central and Merseyway Shopping Centre are primed for further investment, whilst work has already started on the transformational new green space and apartments over the new or old transport interchange site.

This vision for Stockport is certain, multi-faceted and coherent. The fact that Intercity rail, the M60 and the A6 all intersect here underpins the ambition – Stockport's transformation into a vibrant place destination is truly underway, and STOK is proud to be a part of it all.
