The brief for the refurbishment was to create design-led office spaces that are externally sympathetic to the architectural qualities of Albert Square Conservation Area, and internally staying true to the building’s aesthetic - boutique and historic, with a simplicity of design.

The building comprises commercial space at ground / basement with five office suites across the three upper floors. There is a meeting room available for hire on the ground floor.

OUR BUILDINGS

We buy and develop rundown, architecturally-interesting buildings. We have c.150,000 sq ft of commercial space across 10 buildings in Manchester.

WHY US?

Grade A Alternative is a family owned property investment and development business. With our Manchester portfolio we specialise in identifying and developing architecturally interesting and overlooked buildings into design-led, inspiring spaces that make your teams want to come into the office.

We have a team based on Kennedy Street to help you with securing and managing your space – from viewings to ongoing property management, interior design, accounts, lease coordination or renovations / repairs; we aim to do everything in-house to avoid delays and ensure a high level of service for our clients.

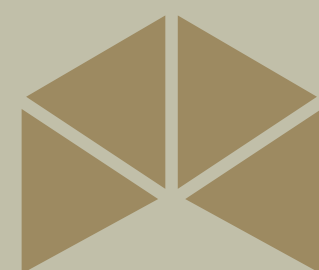

Need a space for your business? Get in touch and work with us: we'll make sure the process is as smooth, simple, and enjoyable as possible! If that fails, we can offer a complementary therapy session with our office dog Lola.
